

Тестовый
квадрат
10 см X 10 см

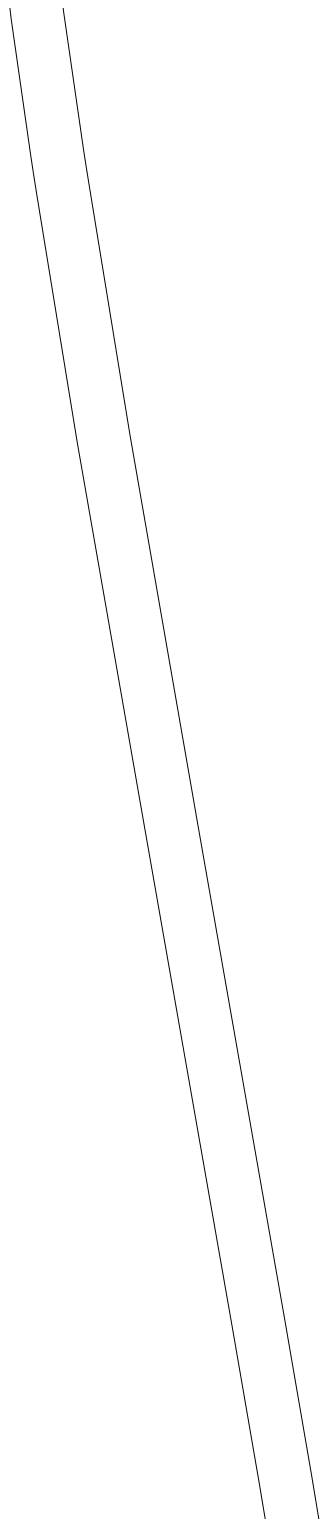

The image shows a technical drawing of a garment pattern, likely for trousers. It features a large, irregular shape representing the main body of the garment, with a vertical line on the right side indicating a seam or fold. A smaller, rectangular shape is drawn inside the main body, labeled as a 'test square'. The text 'Тестовый квадрат 10 см X 10 см' is written inside this square. The drawing is a simple line art on a white background.
