

Тестовый
квадрат
10 см X 10 см

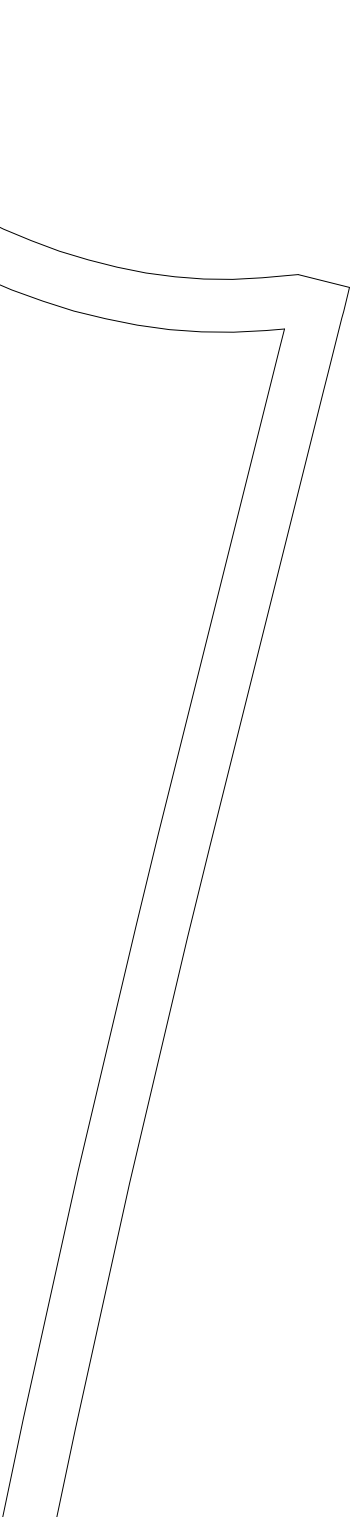

The image shows a technical drawing of a garment pattern, likely for trousers. It features a large, irregular shape representing the main pattern piece. Inside this shape, on the left side, is a smaller, perfectly square shape. A vertical line runs from the top edge of the main shape down to the bottom edge, positioned to the right of the square. The text 'Тестовый квадрат 10 см X 10 см' is centered within the square.
